#### Disclaimer Agreement

- I understand Seguin Family Institute (SFI) is not responsible for fees lost in the mail. I also understand it is a crime to pass worthless checks.
- I understand I may ask for a re-test, within 30 days, if I should fail to obtain a passing score. They payment for this re-test \$10. Only one re-test per course is allowed.
- I understand I must have completed all course requirements by the required dates. If I do not, I will not be allowed to complete these requirements at a later date, unless I re-purchase the course. If I should experience some emergency that prevents me from completing my course in the required time-frame, I will discuss this personally with my course instructor. The course instructor will decide if the reason for non-completion is adequate for any time-frame extension.
- I understand it is my responsibility to check with any licensing body or agency concerning my ability to count any home-study course toward their requirements.
